2/ Excludes expenditures of $142,437, $99,941 and $42,496 for ADC-Foster Care for New York State, New York City and Rest of State respectively. These expenditures are consolidated with Services Foster Care.
3/ Federal, State and Local shares for Services are based on expenditures as claimed. Due to Title XX federal funding limitations, State and Local Districts actually assume a greater share of expenditures than claims would indicate.
4/ Services Administration figures exclude Direct Services by local district staff. Direct Services expenditures have been calculated from information contained on financial schedules submitted by local districts, and included in appropriate Services categories.
5/ Includes ADC-Foster Care for 9 months. Effective October 1982 this portion of the ADC program has been transferred to Title IV-E.
